## Wine, Dine, & Disco

San Luis Obispo's annual premier gourmet dining event **Taste of San Luis** took place under the stars in San Luis Obispo's beautiful Mission Plaza. Local restaurants, caterers, wineries, and breweries united in an epicurean extravaganza to the tunes of disco beats for this year's theme "Wednesday Night Fever." Guests were invited to taste fine cuisine—enjoying their local favorites while discovering new venues—all in an effort to raise money to keep downtown San Luis Obispo beautiful, healthy, and viable.

Attendees mingled throughout Mission Plaza while sampling food from over 80 restaurants.

Pasta cakes were enjoyed by all during the tasteful event.
